REQUEST FOR SERVICE DISCONTINUANCE

I, _____ hereby request that my water service for account number _____ meter number _____ located at _____ be disconnected from Pecos County Water Control & Improvement District No. 1. I understand that if I should ever want my service reinstated, I may have to reapply for service as a new customer and I may have to pay all costs as indicated in a then current copy of the Pecos County Water Control & Improvement District No. 1 rules. Future ability to provide service will be dependent upon system capacity, which I understand may be limited and may require capital improvements to deliver adequate service. I also understand that the improvements will be at my cost. I further represent to the District that my spouse joins me in this request and I am authorized to execute this Request for Discontinuance on behalf of my spouse.
